

TNT Junior Coach Application

Junior coaches are coaches in training that assist our TNT coaches throughout the season during practices and competitions. The main teams we assign our junior coaches include mini, tiny, and youth levels. This program will train our junior coaches to develop their skills to eventually become a CIT and then a TNT coach. This is also a great way for our Junior coaches to inspire and motivate our younger athletes.

If you are 16+ you are eligible to be chosen for our Coach in Training (CIT) program. The CIT program gives you greater responsibility and more opportunities to grow and work towards becoming a TNT Coach. Please understand that there are limited CIT positions and these will be chosen based on your previous years as a Junior Coach. Junior Coaches that are accepted as a CIT will have shown outstanding leadership skills, responsibility and maturity. You will be notified if you are accepted as a CIT via email.
