

Fee Payment

Please contact us via email accounts@tntallstars.com.au for anything regarding fees.

All families must have a valid credit card (Autopay) saved to their iclass Pro account. Registration fees, term fees, camp fees, competition fees and choreography fees will be automatically deducted on their due dates. All other fees will be processed upon purchase or registration.

- You will be notified via email if your account is overdue
- We extend a 14-day period after due dates for fees that have been declined where families can settle their fees without late charges. As of day 15, a \$25 late fee will be added to your account.
- Should fees continue for more than 31 days overdue your athlete will be asked to sit out of practice.
- After 31 days you will receive a final statement email outlining your overdue balance. If this is not paid or discussed within 7 days TNT reverses the right to pass on your overdue account to a legal professional for debt collection.
- All fees and previous payment history can be found on your iclass Pro account. This is accessible to all parents through our website.
- If you wish to pay cash for a charge on your account, please bring it in before the due date. If not your card will automatically be charged on the due date.
- You can log onto your account and make smaller payments for a charge before its due date, once a charge hits its due date you will no longer be able to make smaller payments towards it.
- All apparel and other items (private lessons, specially classes etc) will be processed on your account or purchased through the Shock Shop apparel system.
- If you wish to change your credit card please contact TNT Management or login to your iclass pro account and select your "Autopay" information.
