## TNT All Stars- Competition FAQ

### What to do when you arrive?

When arriving at the competition please look out for our competition arrival point banner. We will post a picture in the Band group and FB Group also of this location the morning of the competition. Your athletes will meet here to receive athlete passes from their Junior Coach/Coach. Athletes wrist bands MUST be worn at all times otherwise they will not be able to compete and allowed in the venue. If the competition is 2 days DO NOT remove the band. Once athletes arrive, we ask that they stay as a team until further directions are given by coaches.

### When are athletes my responsibility?

Athletes will be your responsibility and under your care throughout most of the event. Between the team meet time until after the performance of your athlete they will be in the care of the coaches. Please note that coaches normally have many teams to work with throughout the day so your prompt pick up after performance is appreciated.

### What happens if I arrive earlier before my meeting time?

It is fine to arrive earlier just head to the TNT Athletes Banner to pick up your wristband. You are then free to watch until your actual meet time, you will remain your parents responsibility until your meet time.

### Where do Parents sit?

Once athletes are grouped with their team, parents are welcome to head into the arena to find the TNT fan section, just look for a TNT Banner and our colours. Competitions can be a bit overwhelming and crazy as well as very exciting and lots of fun! If it is your first time we have plenty of seasoned parents and athletes that can answer your questions and help you get through the day.

### What to do after your team has competed?

Younger teams will typically travel back to the foyer where parents will need to come and get their athletes from the TNT meeting point.

Once parents have picked up their child, athletes are welcome to sit at the front of the floor or in the TNT Fan section and cheer on all other TNT teams and competitors. \*\*Parents are responsible for athletes before meet time and after performance time.

All athletes are asked to stay at the venue until after their awards section is finished. If an event is not conducting live awards due to covid we will notify you prior to the competition and athletes will be able to head home once they have competed.

## **TNT All Stars- Competition FAQ**

### **How do awards work?**

Please ensure athletes are in competition uniforms for awards. Once it is announced that the awards are about to start we ask all athletes to come down to the competition floor and find their teams to sit with. Athletes are asked to stay seated with their teams until awards have finished and applaud all other competitors.

We ask that you do NOT leave in the middle of awards or after your team's placing has been awarded. Please respect all other teams and competitors and stay seated until after the awards. Once awards have wrapped up you are welcome to take team and individual photos. We also ask that at the end of awards all TNT athletes meet together and do a hands in to celebrate everyone's success!

Please note if you choose to not attend awards you/your athlete may miss out on any medals received by the team.

### **What to bring to competition?**

Athletes are encouraged to bring plenty of food and water as competition days can be quite long. All venues have food available for purchase also. Please ensure your athletes have their cheer shoes and bows.

### **Be the best fan you can be!**

It is extremely important to us that all athletes, families and friends be kind and courteous to all other competitors and families, including keeping comments about performing teams positive as you never know who might hear. We ask that our spectators applaud every club and make athletes feel proud of their accomplishments. The Perth Cheer community is a very tight knit group that continues to grow together and we love creating a fun and friendly competition environment. At TNT we pride ourselves on good sportsmanship and hope to see all of our families take this on board!
